

AUTO MAGIC

A wireless Bluetooth[®] headset you can store and charge in one simple move.

Coolness and convenience in the driver's seat

Take your calls on the road in comfort and style with the new Jabra ARROW wireless Bluetooth[®] headset.

Automatic volume control and noise reduction features enable crystal clear conversations even in noisy environments. The car charger also functions as a headset holder for convenient storage and access.

Sleek and lightweight, you can wear your Jabra ARROW with an earhook or an Ultimate Comfort Eargel™ to suit your personal preference.

In addition, it comes with a handy carrying strap that links it to your mobile phone, so it's always there when you need it. That's auto magic.

Reasons to choose the Jabra ARROW

- Car charger and headset holder in one
- Adjusts volume automatically
- Reduces in-car noise

Quick Start Guide

Charging your headset

While charging the headset, the LED light will show solid light and after the headset is charged, the LED light will turn off.

Turning your headset on and off

Slide on/off button to turn the headset on or off. The LED light will turn on when the headset is on.

Pairing the headset with your phone

1. When you turn on your Jabra ARROW for the first time, the headset will automatically start up in pairing mode.
2. Activate Bluetooth on the phone
3. Press 'Yes' or 'OK' on the phone and if asked for confirm with PIN code 0000 (4 zeros)
4. Your phone will confirm when the pairing is complete
5. For later pairing or pairing with a second device: Turn your headset on. Press and hold until solid light comes on and follow steps 2-4.

Using your headset

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button again.

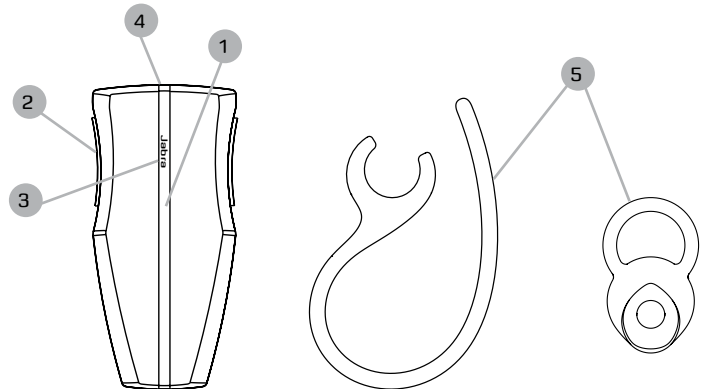

Wearing it how you like it

Wear the Jabra ARROW with or without an earhook.

To wear with earhook please choose size and attach for right or left ear wearing.

To wear without earhook please use eargels with loop.

* Phone dependent
